01 PROFILE

I'm a **Back-End Developer**, I have started my interest in this field **from 2018**

I've been coding **JavaScript** for the **past 2 years**,

I recently started Learning **Typescript** and also I'm an active member of **GitHub**, publishing and **contributing** to useful **packages**.

I am mostly interested in creating **Restful APIs** for applications and making contacts between apps/websites.

I've also started learning **Electronjs** since I'm really into creating cool **Windows/macOS/Linux** Applications.

02 EDUCATION
